

Livermore Woman's Club Meeting

26 September 2015

Trip to Walden, CO

Our group gathered around the
barbed wire replica of a
moose at the Moose Visitor
Center

Fall colors in the Poudre Canyon en route to Walden

Taking in the displays at the Moose Visitor Center

After lunch, we visited the North Park Pioneer Museum and were enthralled by its collection of historic memorabilia.

2 wood-burning stoves & kitchen implements. Washtubs & irons.

Saddles and chaps. (Above right) dishwasher made by local rancher.

Phones, typewriters, and switchboard

Luggage racks,
grinding
wheel, chair
made of
horse shoes,
and saws

Transportation:
via sleigh with bear skin
rugs for warmth and via a
Dodge coupe

A pair of owls was roosting on columns of the nearby
courthouse. This one seems interested in us humans
but not particularly impressed.

And we close with lovely colors along
the Laramie River Road!

Happy Fall!
